Volunteers Needed!

Membership Services is still seeking volunteers to serve as "Social C... each of our 24 new members who will be joining us in the fall. "Social Contact" volunteers will be asked to do the following:

- Contact** new members who are assigned to you, during the summer.
- Meet** them in person or virtually to get to know them, before the start of classes in the fall.
- Offer** to sit with them on the first few days of classes, and help them with lunch plans that may include others in the class, whether it is to bring their lunches or eat in Goudy or at Taproot.
- Introduce them** to other members during class breaks or lunches.
- Follow up** with them during the first term and bring any suggestions to the attention of the Membership Services Co-Directors.

It is our hope that this new "Social Contacts" program will have the enthusiastic support of current members, who will warmly welcome new members to ICL. If you are interested in serving as a Social Contact for a new member, please contact Don Beckman (dbeckman@willamette.edu) or Chris Duval (cduval@willamette.edu) ASAP. *Thanks!*
