

From the Chair

HAPPY
SPRING!!

From The Chair (continued from page 1)

More details on these courses will be available shortly before pre-registration begins for spring courses next year, but I mention the topics now so that people can plan accordingly. One word to the wise, however; seminars are, by design, limited in size, and we

Psi Chi is the national honor society in Psychology. The WU chapter is an entirely student run organization. Its strength hinges on your participation. Applications were recently accepted for the Spring term and initiation of new members will take place in early March.

Students must meet the following requirements to be accepted into Psi Chi:

1. 3 completed semesters of college courses, and 9 semester hours of psychology (3 com-

pleted courses)

2. A declared major or minor in psychology

3. Students must have at least a 3.0 grade point average in psychology courses and rank in the top 35% of their class (that translates to an overall GPA of 3.52 or higher for the class of 2005)

4. High standards of personal behavior.

Please consider joining Psi Chi if you meet the requirements and would like to help shape its direction.

Applications can be picked up at the psychology bulletin board on the second floor of Smullin, and returned to Miranda Scolari at campus box # E249.

If you have any questions about Psi Chi, membership requirements, or the application process, please contact Miranda Scolari.

Internships & Opportunities...

*Don't forget!
Advising for Fall 2004 begins Monday*
